Dear Staff Member:

The TRC classrooms grades 3-6 are in need of your help. Our classes are doing a project to see how people use math in their daily lives. Would you be willing to let us interview you? We will just be asking a few simple questions. Our interview team will consist of four people: the interviewer, recorder, videographer and photographer. We are available Wednesdays from 8:15 to 8:45 a.m.; Mondays and Wednesdays from 1:45 to 2:15 p.m.; and Tuesdays 2:15 to 2:45 p.m. If any of these days are available to you, please email Mrs. Lawrenz at mary.lawrenz@usd481.org.

We hope you will be able to help us learn about how important math is to you and how you use math in your job.

Thank you,

TRC Students
